Hi Mary,

The only comment I have is: Could you please identify or separate the two projects clarifying the difference between Superfund and DEQ/state managed?

Thanks,

Mike

Mike and Robert,

Here is the brochure CFAC plans to issue to the community list we maintain. It will go out as soon as it is printed, which should be early next week. Please share your thoughts by 9 a.m. EST, Wednesday, January 25. If I don't hear from you, I will presume all is good. I have copied Vonda Matthews on this. She also will be watching for a response.

Kind regards,

Mary
